And Finally

Dueling Grand Openings in 1956

Last week, we featured an article on Dave Erickson, Founder and CEO of FreeConferenceCall.com, receiving the Entrepreneur of the Year Award. His corporate headquarters building, located on the Traffic Circle, was originally home to a Robert Hall clothing store. What we didn't know, until researching this story, was that grand opening for Robert Hall and the Los Altos Shopping Center took place at the same time. In fact, ads announcing both events appeared on the same page of The Independent on March 2nd, 1956. The vintage aerial photo shows the Robert Hall building circled in red in the foreground. The Walker's building (aka The Broadway and now Sears) in the Los Altos

Shopping Center is clearly visible in the distance.
